## PHOTO WORKSHOP TERMS

NAME: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

CITY/ST/ZIP: \_\_\_\_\_

Cheyenne L Rouse's Photo Workshops focus on seeing and photographing the beauty and culture of the West and Southwest as well as selecting suitable and artistic locations for the best photographic results you can envision. Cheyenne's workshops have a limited number of participants in order to provide thorough and individualized attention to each photographer. Participants must have a thorough working knowledge of their own photographic equipment. Note that other than incidental or informal comments, no instruction will be provided regarding the use of equipment or proper settings. Participants are expected to respect schedules and be present at the meeting times that have been set. Photographers who are tardy affect everyone's schedule; the workshop will proceed as scheduled and will not be held up. Cell phone numbers should be communicated before the first day of the workshop to ensure the best communications possible. There is no smoking during the workshop and cell phones must be off or on the vibrate mode during shooting so that everyone may reap the full benefits of this workshop.

If you have any special needs with regard to accessibility, allergies, or other considerations, please communicate those to Cheyenne with your registration. This workshop will run rain or shine so please be prepared with the proper gear. The temperatures in the desert can be extreme and the sun relentless so dress accordingly with cool comfortable

clothing, a hat and sunscreen. Proper hydration is imperative in the desert, Cheyenne will

provide cold bottled water during the workshop but if you prefer some other beverage (sorry, no alcohol during the workshop) you will have to provide that yourself. Also the terrain can be very rugged so please be sure to wear the proper foot wear – good quality hiking boots are recommended and not “all terrain” sandals or “sneakers” – to insure proper footing as we hike into some of our locations as rocks can be slippery and trails rocky and uneven.

I have read and agree to the above terms.
